Dear Parent/Carer

## Tree of Knowledge, S2 and S3 Information Evening: Monday 12<sup>th</sup> January 2015

As part of our vision to embed a culture of high aspirations, growth mindsets and empowered individuals, the school has developed a partnership with Tree of Knowledge who will be working with the S2 and S3 pupils on **Monday 12<sup>th</sup> January 2015 and Tuesday 13<sup>th</sup> January 2015.**

Tree of Knowledge use fun and humour as a mechanism to explore issues that are very relevant to the young people. These issues include breaking down barriers, building confidence, developing growth mindsets, exam preparation, increasing self-belief and self-worth as well as looking at the importance of effort and determination in everything we do.

Tree of Knowledge is also delivering a parents session from **6.30-7.30pm on Monday 12<sup>th</sup> January 2015** in the school Assembly hall, which is designed to provide parents with an insight into the workshops your child is attending.

This will allow for the key messages to be transmitted directly to parents to ensure there is no confusion regarding the objectives and purpose of the workshops. It also serves to make the messages even more sustainable as they can now be supported from home as well as in the classroom. This evening session will contain the overarching theories that the workshops are built around as well as including course specific content.

I hope that you will be able to attend and that you find the session useful. To assist with the planning for the evening, I would be grateful if you would complete the reply slip below and return it to your child's register teacher **Friday 19<sup>th</sup> December 2014.**

Yours faithfully,

Caroline Falconer  
Acting Depute Head Teacher
