8 December 2014

Dear Parent/Guardian

NHS DATA TRANSFER

To help the NHS administer their health programmes relating to immunisations, vision screening and dental checks, pupil data is securely transferred from East Lothian Council Education Department to the NHS. This data is used to invite participation in these programmes where appropriate, and includes information such as name, date of birth, gender, class name and postcode.

This school data will automatically be transferred to the NHS unless you wish to opt out.

If you are happy for the data to transfer you do not need to do anything else.

If you wish to opt out of this data being transferred to the NHS (ie you do **NOT** want pupil details being sent to the NHS), please complete the return slip below, tear off and return to the school as soon as possible.

If no response is heard from you by Wednesday 17 December, it will be assumed you authorise the data to be transferred.

Please tear off and return to school office if applicable:

I do **NOT** want data to be transferred to the NHS for the purposes of planning immunisations, dental checks and vision screening.

Pupil Name(s): _____

Registration Group: _____

Signed: _____

Date: _____
