

# Don't Forget Your Bus Pass *for free bus travel*

Pupils eligible for free bus travel under the Young Persons' Free Bus Travel Scheme **MUST present a valid/working National Entitlement Card** (bus pass) when travelling.

👉 Follow these tips for easy, stress-free travel. 👉

Always tap your pass when you board the bus. **This includes the bus to school!**

**Every journey made under the scheme must be recorded** so that the Scottish Government can pay bus operators. Tapping your pass on the machine on board the bus each time you travel makes this possible.

If your pass is faulty, damaged, or lost, you will be **required to pay using an alternative method** (e.g. contactless card/device or cash fare).

**Parents/carers should ensure their child is able to pay a fare** if their bus pass is not accepted.
