

The Egg Drop Challenge

The Goal of this Challenge

- Your goal is to make an egg survive a drop of approximately 3 metres.
- You must use the supplies given to you and **nothing else** to help the egg survive the drop.

Materials at your disposal

Paper

Cotton balls

Cellotape

Glue

Kitchen Roll

Straws

Card

Newspaper

Rubber Bands

Shredded Paper

Straws

Paper Clips

RULES – No Cheating!

You are only allowed to use the resources listed!

The egg must be able to come out and placed into the structure freely.

- It cannot be cellotaped down!

You are not allowed to alter the outside of the egg shell.

- You can not glue or wrap the egg in anything. You are only allowed to draw a silly face!

All structure will be dropped from the same height.

RULES – No Cheating!

You are not allowed to spend more than what you have
(F100 - Farrants).

- I AM NOT A BANK. I DO NOT DO LOANS!

You have to keep and ACCURATE track of what you are spending.

Team with the most money at the end and with a successful drop will
win!

RULES – No Cheating!

REWARDS for a safe landing:

If your egg is still fully intact after the drop, you will get a **F10 bonus!**

If your egg is cracked on the outside but no yolk, a **F5 bonus!**

If your egg smashes and creates scramble egg, you will get.....

RULES – No Cheating!

RULES – No Cheating!

Finally

BE CREATIVE

**And I hope you have a cracking
time!**
