Role: BOS – Customer Service Assistant
Company: Lloyds Banking Group
Location: Haddington

Job Description

As a Customer Service Adviser you'll be the first point of contact between us and the most important part of our business: our customers. Working across a number of branches you'll develop new relationships, build a network to support your future career and see first-hand the impact you can have on our customers.

Day-to-day you could be:

- Greeting customers as they call or visit our branches
- Helping customers with many of their day-to-day queries
- Helping customers use our technology
- Supporting a number of branches within your local area
- Working with your team to make life easy for our customers
- Taking the time to really get to know your customers and colleagues
- Supporting initiatives within the local community.

Our branches are open at varying times Monday to Saturday (with some opening Sundays) to ensure we can support our customers when they need us. As a Customer Service Adviser you'll work a variety of hours across these days.

The hours you work will be individual to you, so whilst we advertise our full-time salary, this will be pro-rata for reduced hours working.
