Role: Customer Team Member

Company: Coop

Location: Prestonpans

Hours: 35 hours per week (plus regular overtime)

Salary: £9.90 per hour

As a customer team member at Co-op, you'll provide friendly, thoughtful service, and be on hand to support customers whenever they need your help. You'll also make sure your store is in great shape – working as part of a team to replenish products and support deliveries.

What you'll do:

- **Friendly and thoughtful service** – putting customers first in everything you do: responding to queries, championing Co-op products and Membership, and doing all you can to deliver a great shopping experience
- **Engage with everyone to succeed together** – building strong relationships with your colleagues in-store – working together as a team to solve problems for the benefit of customers, members and each other
- **Make sure the store is safe, legal and operational** – completing daily checks to make sure the store is safe for customers, replenishing products while checking their dates, prices and temperatures are legally compliant
- **Embrace change** – helping to embed change in store, embracing and supporting changes so they become a natural way of working, and sharing experiences with other colleagues to help them positively adapt to changes
- **Co-operate for a fairer world** – getting involved in day to day community activities like supporting our FoodShare scheme, and help your local member pioneer by taking part in local community events

This job would suit people who have:

- genuine care for the needs of customers and colleagues
- good communication skills, with the ability to build positive relationships with everyone
- strong problem solving skills
- the flexibility to work a range of shifts
