HEAD PUPIL MANIFESTO

VOTE TEIGAN

ABOUT ME -

Hello, my name is Teigan and I am running to be your next head pupil. I am passionate about Knox and want to make a positive impact on the school.

WHY AM I RUNNING FOR HEAD PUPIL?

I am hardworking, organised and committed to helping Knox to the best it can be. I take my responsibilities seriously, work well with others and always try to set a positive example. As a Head Pupil I would always listen to students ideas, represent their voices and work to create a supportive and welcoming school community for everyone.

PEER MENTORING -

Peer Mentoring groups would aim to support pupils learning by giving them opportunity to teach each other, these groups would be held every 2 weeks and more regularly during prelims season. These groups would also give pupils the opportunity to speak to new people they usually wouldn't come across. This would result in pupils finding new friends and would strengthen the community spirit throughout Knox.

I found it hard when S4 started and didn't really understand how to revise properly as I hadn't ever been taught. By adding this policy I hope people feel more confident in their studies.

PROMOTING OUTDOOR LEARNING USING THE SOCIAL AREA COURTYARD -

I would encourage the social area courtyard to be used during lessons whenever possible. It could be used for group discussions or reading activities. This would make lessons that may appear boring more engaging and interesting and to give students a change of environment that helps them stay focused and motivated, especially during warmer months.

I would also like it to be open more often for pupils to use at lunch as many pupils struggle to find somewhere sit and spend their lunchtime, this would help the pupils get fresh air and feel better and ready for their next class and give students a nice calm place to sit.

DIVERSITY AWARENESS -

I would like to increase inclusivity by decorating the school with posters during traditions like Lunar New Year and Hanukkah to celebrate other cultures and acknowledge them within our school community.

This would ensure all pupils of Knox feel included and represented around holiday celebrations.

ANONYMOUS PUPIL SUGGESTION BOX / GOOGLE FORM -

This provides all pupils an opportunity to voice their opinions without the fear of being judged. Every month I would aim to put an update on the bulletin so that the students voices feel heard and valued. By making sure everyone feels heard I hope to create a more positive environment at Knox.
