March 2020

Dear Parent/Carer

## **S6 Leavers' Ceremony – 11am on Friday 24 April 2020**

We are delighted to invite you to attend our S6 Leavers' Ceremony at 11am, on Friday 24 April 2020.

Our ceremony will be led by our S6 Pupil Leadership and Senior Leadership Teams, and is an important day in the life of our S6 as they prepare to move on to University, College or Employment. This event allows us to come together to wish all of our S6 pupils the very best for their future and to thank you, as parents/carers, for your support of your young person throughout their journey at Knox Academy.

Although leaving school may feel a little daunting, it is also an exciting time when many opportunities will open up for them, and we are sure our school values of Ambition, Respect and Community will have prepared them well for the challenges that lie ahead.

It would be wonderful to see as many parents/carers as possible at this event on 24 April. If you are able to attend, please complete the tear off slip below, also noting the number of seats you wish (2 maximum per family). Please ask your young person to return this to the school office by **Friday 27 March 2020 at the latest**. Thank you.

If you do have any questions about this event, please contact me.

Yours sincerely

Nick Tait  
S6 Year Head
