

Dr Siva here, Chief Mentor at Medic Mentor.

UCAS application season is here, and, if they haven't done so already, students need to begin their application to Medicine now. As part of this, they should attend one of our free Get into Medicine Conferences.

These conferences cover everything students need to know about the UCAS application and give them a chance to speak to Doctors and Medical School Students. They can register here: <https://airtable.com/shr66li3bqG3ZpkPM>

Dr Iain Kennedy and I lead these conferences every weekend from 9:00 am - 1:30 pm to provide a comprehensive guide to the Medical School application process, including:

Interview Training

Personal Statement Advice

How to Approach the UCAS Application

Entrance Exams: BMAT and UCAT

Accessing Medical Leadership Programmes, Award Programmes, and Scholarships to Study Medicine at University

CV Building

Students also hear from recently successful applicants to Medicine. They share their insight into the application process and how to make yourself the ideal candidate.

As I'm sure you are aware, applications to study medicine are extremely competitive. Students who receive help and insider advice from Doctors and Medical School Students are equipped with the best chances of success.

We run a Get into Medicine Conference every Saturday or Sunday from 9 am - 1:30 pm. The next available dates are:

Saturday 30th April

Sunday 1st May

Saturday 7th May

Sunday 8th May

Saturday 14th May

Sunday 15th May

I highly recommend students attend a Get into Medicine conference as early as possible. This will give them more time to prepare for upcoming exams and perfect their application to medicine.

Students can register using this link: <https://airtable.com/shr66li3bqG3ZpkPM>. I would greatly appreciate it if you shared this information with them.

If you or your students need any more information, do feel free to visit our website: <https://medicmentor.co.uk/medicine-national-healthcare-weekend/>

Please note that students must have a parent or guardian with them throughout the conference for safeguarding purposes.
