Dear Parent/ Carer

NATIONAL 5 COMPUTING SCIENCE

I wrote to you in October with details of the National 5 Computing Science Question Paper and Assignment.

The SQA have recently released their pick up dates which has meant that we can give our classes some extra time to prepare for the Assignment. The new date for the Assignment is Friday 8 March 2019 and details are as follows:

0854 – Arrive

0900 – Start Assignment

1050 – Break 1

1110 – Restart Assignment

1310 – Break 2

1440 – Finish

The remaining 3 hours (the Assignment is an 8-hour long task) will be done in class time w/c 11 March 2019. We will, of course, ensure that Candidates who require additional assessment arrangements (e.g. extra time) will be catered for and this will be discussed with the individuals concerned.

Please do contact me via the School Office should you wish to discuss anything further.

Yours Sincerely

Calum Blair
