S3 Learner Pathway Course Choice Form – for pupils starting S3 in June 2024.

You can map out your preferred choices on this form (which has been emailed to you), before completing your Google Form.
You need to select one choice from each column (one from each curricular area) - making a total of 8 subjects. **ALL 6 first choices must be different subjects e.g. don't choose Art twice!**
Please also include a reserve option in each of the columns 4-8. These will be used in situations where it is not possible to give you all your first choices, so make sure they are subjects you are prepared to study.

Column 1: Literacy	Column 2: Numeracy	Column 3: Modern Languages	Column 4: Science	Column 5: Social Subjects	Column 6: Expressive Arts	Column 7: Technologies	Column 8: Specialisation
English	Maths	French Spanish *if pupils do not want to take a language they need to choose another subject from the Specialisation Column to go in this Column.
