May 2023

Dear Parent/Carer

As the new session approaches I feel it is important to write to you about our expectations in relation to school uniform. Knox Academy is very proud of its tradition of school uniform and the wearing of it helps promote the sense of community within the school, our wider community and create that feeling of 'belonging'. Alongside 'Respect' and 'Ambition', 'Community' is one of our school values and it is hoped our young people wear the Knox Academy uniform with pride.

A few years ago our young people and parents/carers were consulted on what they wished the school uniform to comprise. In session 2023-24 this will continue to be:

- White/black shirt
- Tie (with House stripe on it)
- Black v-neck or crew neck jumper (plain, over a shirt and only with school logos or no logos)
- Black trousers/solid black jeans or skirt (**no** leggings or ripped/blue jeans)
- Head coverings – worn for cultural or religious reasons, should be black
- **No** hats/hooded tops/baseball cap to be worn in the school
- Black shoes
- School blazer (for all in S5 & S6 – as has been the case for years)

Each pupil belongs to a House at the school; another way of building community. To support the House ethos, new school ties were designed a few years ago. These House ties feature the Knox Academy logo and have a stripe below this in the House colours the pupil belongs to. If your young person is in S3-S5 at present and you would like support with replacing the tie, please speak to their Pupil Support Leader (Guidance).

In relation to health and safety, hooded tops of any description will not be acceptable dress code (this includes Knox Academy sports hooded tops which should only be worn for sports). I would ask for parental support with adhering to this request and not purchasing hooded tops for wearing. Often young people are tempted to wear their hoods up and this compromises everyone's safety. We need to ensure that everyone's faces are visible in and around the building at all times so we can keep everyone safe. Thank you.

Shoes should be all black so as to avoid pointless discussions on those with logos attached and other elements of colour. White shoes, which may be fine for PE, are not part of the school uniform. A skirt should be of an appropriate length for wearing in a school based environment. Trousers should be whole, rather than with designer holes or tears which are not suitable for a working environment.

Our hope is that this presents a more simplified, consistent approach, in that the expectations for all year groups will be the same (with the exception of blazers for S5/6). S1 pupils are gifted a school tie on their first day of school at Knox Academy so everyone starts with this. However if you do need to purchase a tie, or for those who have lost ties, or need to replace them, these can be ordered on-line through [SchoolPay](#) and then collected from the School Office by the young person. For the purchase of school blazers for S5/6, a fitting service will take place at the school, on Friday 9 June, from 0930-12.15 midday. The last on-line order date for blazers to arrive in time for the new session is 9 July 2023. Parents/carers are able to purchase all other items of clothing from whichever outlet they wish, so long as they conform to the expectations. We also have lots of spare uniform at the school, in all sizes and for free, so if you would like to access this please contact your young person's Pupil Support Leader. [Financial support](#) in buying school uniform is also available from East Lothian Council.

I thank you in advance for your co-operation in ensuring that pupils adhere to the school's uniform expectations and I trust that this period of notice will allow you to make the necessary arrangements so that we can start the new session in style.

Yours sincerely

S Cook
