School Holiday Activities

Our School Holiday Activities provide the opportunity for young people to experience the wide ranging benefits of outdoor activities. The emphasis is on having lots of FUN but the activities can also have positive impacts on self esteem, confidence and resilience. We endeavour to ensure that every child gets the best out of their experience with us. All activities are led by trusted, qualified staff.

All staff are PVG checked and have many years of experience, working in the outdoors. We hold an Adventurous Activities Licence and work in partnership with East Lothian Council's Outdoor Learning Service.
