We are looking for enthusiastic, professional, hardworking individuals who are willing to learn and are determined to succeed.

Candidates must be 16 years or older with a minimum of five GCSE's/National 5s including English and Maths with grades C+ (or 4+) (or relevant work experience). Some roles will require higher academic grades.

Apprentices will follow a Level 3 or Level 4 Apprenticeship Standard/Framework (depending on the business role) in a relevant discipline such as Risk, Technology, Investment Operations or Business Administration.

This is a fantastic opportunity for young people to start their professional business career in a thriving financial services industry with multiple benefits including personal and professional development, 30 or 32 days holiday, pension contribution, private medical insurance and a competitive salary.

We look forward to seeing your applications.
