## The Gingerbread Men - Mongol Rally Team

10,000 Miles | 1 Car | 1000 CC | 2 Guys | 2 Charities

Across seas, mountains and deserts; The Gingerbread Men will be driving from the UK to Mongolia and back again in a small car to raise money for charity. "Which charity?" I hear you ask, well if you have some patience I'll tell you. We are raising money for Cool Earth and MacMillan Cancer Support; two fantastic charities doing a shed load of good work.

Now back to plan. The Gingerbread Men includes Stephen Barcroft, a 4<sup>th</sup> year civil engineering student at the University of Glasgow originally from Haddington. The other half of The Gingerbread Men is Chris Crawford, currently living in Dunbar and working as a Key Holder at The Pine Marten Restaraunt. Yes, those unassuming men are actually international explorers saving the world one pothole at a time - Who knew?.

Anyway, if you would like to find out more about this international tomfoolery or the two charities, feel free to visit one of our many websites.
