

14 March 2017

Dear Parent/Carer

In December 2016 a team of inspectors from Education Scotland visited Knox Academy. During our visit, we talked to parents/carers and young people and worked closely with the headteacher and staff. We gathered evidence to enable us to evaluate the quality of leadership, learning and teaching and young people's achievements and wellbeing.

The inspection team found the following strengths in the school's work:

- The headteacher is successfully engaging with a range of partners in the local community, including businesses. These partnerships successfully enhance the curriculum and increase young people's successes and achievements. As a result of the school's increasing community links, young people are engaged in volunteering and develop their leadership skills through working with local organisations.
- From S4 to S6, the curriculum offers young people a wide range of courses leading to qualifications. There are a commendable number of courses leading to Advanced Higher. Young people are attaining well in National Qualifications.
- There is emerging practice in digital technology which is extending young people's learning. Examples include using digital platforms to enhance learners' experiences and their engagement in learning.

The following areas for improvement were agreed with the headteacher and a representative from East Lothian Council:

- The school should involve all stakeholders in revisiting the vision and values of Knox Academy to ensure that there is a shared understanding of respect and the value of learning. This work should underpin improvements in collaborative self-evaluation and school improvement planning.
- A new re-invigorated whole school approach to equalities and inclusion is required. The school should review policies and procedures to ensure a clear focus on ensuring wellbeing entitlements and high-quality support.
- The school has consulted widely to develop a very helpful learning and teaching policy. While implementing this policy, the school should continue to focus on ensuring young people experience consistently high quality learning that meets their needs.
- Staff should build on the approach to discussing progress with learners in S4 to S6 to support all young people across the school to know their own strengths and next steps in learning.

Quality indicators help schools, education authorities and inspectors to judge what is good and what needs to be improved in the work of the school. You can find these quality indicators in the publication *How good is our school*¹? Following the inspection of each school, the Scottish Government gathers evaluations of quality indicators to keep track of how well Scottish schools are doing.

Here are Education Scotland's evaluations for **Knox Academy**

Leadership of change	Satisfactory
Learning, teaching and assessment	Satisfactory
Raising attainment and achievement	Good
Ensuring wellbeing, equality and inclusion	Weak

The letter and a more detailed summary of inspection findings will be available on the Education Scotland website at

<http://www.educationscotland.gov.uk/inspectionandreview/reports/school/primsec/KnoxAcademyEastLothian.asp> .

What happens next?

We will liaise with East Lothian Council regarding the school's capacity to improve. We will return to carry out a further inspection of the school within one year of publication of this letter. We will discuss with East Lothian Council the details of this inspection. Following our return to inspect the school, we will write to you as parents/carers informing you of the progress the school has made.

Carol McDonald
HM Inspector
