

## Pupil Responsibilities Sheet

At Knox Academy we aim to embody the values of wisdom, engagement and respect. We aim to live and learn reflecting these values. You have been asked to complete this sheet because you have disrespected the rights of other people in the school. This may have been the rights of a member of staff or it may have been the rights of fellow pupils.

**You now have to reflect on the rights you have taken away from others. Completing this sheet will help you do that.**

**Part A:** What has happened?

As best as you can, explain why you have been asked to fill this sheet in.  
Please be honest with yourself.

**Part B:** What rights?

Below is a list of some of the rights that every single person in the world under 18 is entitled to. Tick the ones that you feel you have taken away from others today:

- the right to have your views listened to and respected
- the right to think and believe what you want, including religion
- the right to privacy
- the right to be protected from violence.
- the right to live with dignity and without bullying
- the right to be educated
- the right to have your talents developed
- the right to relax and play

**Part C: Reflection**

As best as you can, explain in what way you have taken away these rights from someone today.

How do you think the people affected by your actions today feel? This may be a member of staff, the rest of your class or one or two people.

How do you feel about what has happened today?

What are you going to do now?
